Local law enforcement agencies agree: Rachelle Aud Crowe right fit for Illinois State Senate

EDWARDSVILLE – Law enforcement agencies from across the region have endorsed Rachelle Aud Crowe, candidate for State Senate in the 56th District, citing her experience as a prosecutor and her commitment to the men and women in blue.

“Rachelle’s extensive background as a prosecutor makes her uniquely qualified to deal with the many challenges facing our state,” said Chris Southwood, President of the Illinois Fraternal Order of Police State Lodge. “In Springfield, Rachelle will stand up for law enforcement officers and fight to bring a new level of accountability and efficiency to our state government.”

Rachelle Aud Crowe is currently an Assistant State’s Attorney in the Madison County State’s Attorney’s office where she has prosecuted murderers, child predators and violent criminals. Rachelle has served in the Violent Crimes Unit and has also played a key role in the Drug Court Program, ensuring individuals suffering with opioid and other addictions have the resources they need to become productive members of society once again.

“As a Violent Crimes Unit prosecutor, Rachelle has earned a 100 percent murder conviction rate and has prosecuted criminal cases resulting in hundreds of years of prison time and probation,” said Madison County Sheriff John Lakin. “Her dedication to the safety of our community and her record of public service are unmatched.”

Rachelle has been endorsed by the Illinois Fraternal Order of Police, the Illinois Police Benevolent and Protective Association, the Madison County Sheriff Police PBPA Unit 118 and numerous local law enforcement agencies.

“It is an honor to have the support of our brave police officers from across the area,” said Rachelle Aud Crowe. “Every day, these officers put their lives on the line for the safety of us all. I support them and thank them for their selfless public service. If elected to the Illinois Senate, I will always support our police officers and the issues important to law enforcement across the state.”
